

Clean + Tough

Bleach cleanable and industry leading wear resistance for healthy commercial interiors

Nydree is hard at work helping you and your clients get back to work. Cleanable hard surface flooring is more important than ever to safely combat the COVID-19 virus. We are committed to making products you can feel comfortable specifying that are both tough and clean.

Bleach cleanable - Our Pedestrian 2.0 finish is bleach cleanable when following the CDC recommendation of 1-part bleach to 48 parts water. Clean with a sprayable mist, no mopping.

Hand-sanitizer safe - Got hand sanitizer stations in your space that may have excess sanitizer drip on the floor? No problem with our Pedestrian 2.0 finish.

Stain Resistant to Medical Reagents - Pedestrian 2.0 is stain-free after four hours when exposed to Ammonia, Betadine Solution, Bleach, Hydrogen Peroxide, Mercurochrome Antiseptic, 3M Neutral Quat Disinfectant (0.5 oz./gallon), 3M HB Quat Disinfectant - (0.35 oz./gallon)
